Proclamation of Gov. Curtin.

HARRISBURG, July 5.

In the name and by the authority of the Commonwealth of Pennsylvania, Andrew G. Curtin, Governor of said Commonwealth, a proclamation: Whereas, the President of the United States has this day made a call upon the Commonwealth of Pennsylvania for twelve thousand militia as volunteer infantry to serve at Washington and its vicinity for one hundred days, unless sooner discharged:

I, Andrew G. Curtin, Governor of the said Commonwealth, do make this my proclamation in response thereto, and do hereby call on the freemen of the Pennsylvania militia to come promptly forward, as they have heretofore done, and fill the requisition for this important service.—It is apparent the enemies of our National Government in desperation, are threatening us with an armed force in the hope that the army of Gen. Grant may be withdrawn from before Richmond; and I call upon the citizens of this Commonwealth, capable of bearing arms, to come forward without delay, and thus aid our heroic brothers in the great army of the Republic.

Given under my hand and the great seal of the State at hand, and the great seal of the State at Harrisburg, this 5th day of July in the year of our Lord one thousand eight hundred and sixty-four, and of the Commonwealth the eighty-ninth. By the Governor.

ELI SLIFER,
Sec'y of the Commonwealth.

Another Proclamation.

HARRISBURG, July 6.

The following proclamation has just been issued by the Governor:

Pennsylvania S. S. In the name and by the authority of the Commonwealth of Pennsylvania, I Andrew G. Curtin, Governor of said Commonwealth, do issue this my proclamation. It is now ascertained that a large rebel force has been detached from, and is advancing on the North. So large a portion of our army is at remote points that it becomes necessary to raise immediately a sufficient body of volunteers to repel them.—They are already within the border of the Commonwealth. You have always heretofore been ready to answer the call of your country. You will not be less ready to come forward when your homes and firesides are to be defended against a profligate horde of plunderers. I am authorized by the President of the United States to call for twelve thousand volunteers in addition to those required by Proclamation of yesterday, to serve for one hundred days in Pennsylvania, Maryland and Washington and its vicinity. I appeal to the freemen of Pennsylvania to rouse themselves for the necessary effort, and come promptly, to sweep the invaders from her soil. I refer to the general order from the headquarters of the Pennsylvania militia, No 50, dated July 5th, 1864, published with this proclamation for the details of the arrangements. I do most earnestly require the good and loyal men of the Commonwealth and especially of the veteran soldiers in all her borders to show themselves to be worthy of her in this emergency. Her sons have established for themselves on many a bloody field a reputation for martial virtues, which they will not now forfeit, when both their well earned fame and the safety of their homes and families are at stake.

Given under my hand and the great seal of the State at Harrisburg, the 6th day of July, in the year of our Lord one thousand eight hundred and sixty-four, and of the Commonwealth the eighty-ninth.

By the Governor: ELI SLIFER,
Secretary of the Commonwealth.

Important General Order.

HEADQ'RS PENN'A MILITIA,
Harrisburg, July 5, 1864.

General Orders No. 50.

In response to a call of the President of the United States, this day made, for twelve thousand Militia or Volunteer Infantry, to serve at Washington and its vicinity for one hundred days, unless sooner discharged,

It is ordered:

I. Troops will be accepted by squads or companies, as hereinafter indicated, and will, as rapidly as possible, be formed into companies and regiments.

II. Persons proposing to organize companies will be accepted under the following provisions, viz:

To be commissioned a *Captain*, the applicant must have furnished forty (40) or more men, who have passed Surgeon's examination, and been mustered into the United States service.

To be commissioned a *First Lieutenant*, from twenty-five (25) to forty (40) men must have been furnished as above.

To be commissioned a *Second Lieutenant*, from fifteen (15) to twenty-five (25) men must have been obtained as above.

III. Camps of rendezvous will be established by the United States at Harrisburg, Philadelphia and Pittsburg, in charge of which camps commanders and skillful surgeons will be pointed.

IV. Transportation will be furnished on application, in person or by mail, to Col. J. V. Bomford, U. S. A., Superintendent of Volunteer Recruiting service at Harrisburg, for the Western District, or to Major C. C. Gilbert, U. S. A. Superintendent of Volunteer Recruiting service at Philadelphia, for the Eastern District of Pennsylvania, to the camp or camps of rendezvous in their respective districts, to whom report must be made.

V. Actual and necessary expenses for boarding and lodging of troops, raised under this order, will be paid by the United States disbursing officer, at the proper post, for a period not exceeding fifteen (15) days, at a rate not exceeding forty cents per day for each man mustered into the service of the United States, on the affidavit of the officer furnishing the men, supported by the receipts of the party to whom the money was paid. Names of the men, and the dates between which each man was boarded and lodged, must be stated in the accounts rendered.

VI. The troops will be organized according to the general regulations of the service, armed, clothed, paid, transported, subsisted and supplied as the other troops in the United States service, and mustered into the United States service by regiments, as soon as filled to the minimum strength, the term of service to be reckoned from the date of muster into the United States service.

VII. As a reward for meritorious conduct, and also to secure valuable military experience, appointments of field officers will be made, except under peculiar circumstances, from men who have been in service and have been honorably discharged.

VIII. No bounty will be paid to the troops, nor will this service exempt from draft; but if any officer or soldier in this special service should be drafted, he will be credited for the service rendered. By order of

A. G. CURTIN,
Gov. and Commander-in-Chief.

A Letter Writing Army

Four hundred thousand soldiers' letters were to be sent North from the Washington City Post Office on last Friday. They are principally from the Army of the Potomac. Their total weight is upward of six tons.—If any testimony were needed to show the thoughtful, intelligence of our soldiers, we have it in the statement. The armies of Europe consolidated in one could not present such a signal evidence of noble character and true elevation. Four hundred thousand letters! The accumulation of but a few weeks, and that period desperately occupied in marching, fighting, building intrenchments and burying the dead! How proud one feels that such men as the veterans of the Army of the Potomac are his fellow citizens, and how confident should we be that they will carry through the work in which they are engaged and upon which they have so deliberately and intelligently entered. An army of men who can write four hundred thousand letters in a few weeks, by the light of camp-fires, in the skirmish line, in rifle pits and behind rude earthworks, are as thoughtful, earnest and mindful of duty as they are self-possessed and heroic, and as the product of American institutions, we exult in their glory and hail them with reverential acclamations.

"Oh, Don't."—The widow of the late Ex President Tyler has written a letter to President Lincoln, complaining that Gen. Wild has arrested a slave owner who had been flogging his female "chattels," and that Gen. W. had the master tied and permitted the women to repay the blows with interest. Mrs. Tyler is indignant, of course, that an F. F. V. should have been treated thus.

THE DYING SERGEANT.

It was perhaps ten days after the second battle of Manassas, that I visited one of the hospitals near Washington, for the purpose of ascertaining if any of the disabled of my own command had been borne there, and if so, of speaking to them a kind, cheerful word, always so grateful to a wounded soldier. As I was passing through the numerous wards, viewing with feelings of sympathy and pride the mutilated, but patriotic and uncomplaining sufferers, two strangers—a sister and an aunt of one of the young heroes—accosted me, and asked if I would be so kind as to come to the couch of their relative, and stand by him while the surgeon should amputate his limb, which they told me had been amputated a few days before, but on account of the arteries having commenced to slough away, the physicians had decided upon this as the only hope of saving his life. I followed them to the couch. They were both weeping, but the wounded soldier, although suffering intensely, met me with a smile and saluted me. I sat down by his couch, and took his hand in mine. He told me that he was a sergeant in the Fifth New York (Duryea's Zouaves); that he was wounded late in the action, and left upon the field; that he remained where he fell from Saturday until the following Wednesday, "with no food save a few hard crackers, left in my haversack, and with no water, except that which God gave me from heaven, in rain and dew, and which I caught in my blanket." The sergeant continued his story, after a moment's pause, occasioned by his suffering, by saying, "You know, Colonel, how God always remembers us wounded soldiers with rain, after the battle is over, and when our lips are parched and our tongues are burning with fe[illegible] On Wednesday I was found by [illegible] ground, who dressed my wound, and placed me with other disabled soldiers in an ambulance, to be sent to Washington. I arrived here late on Thursday evening, when my limb was amputated, and I"——The sergeant again paused in his story, and I begged him not to go on. I noticed that his voice was weaker, and his face more pale and death like, and and a moment afterward I observed blood trickling down upon the floor from the rubber poncho on which the sergeant was lying. I at once called the surgeon to his bedside. He examined the limb, and, after consulting with other surgeons in attendance, told me they had decided that it was impossible to save his life; that re-amputation would be useless; that the soldier was fast sinking from exhaustion; and that, in all probability, he would not survive the hour; and desired that I should make known their decision and apprehensions to the aunt and sister.

With such language as a soldier might command, I informed them that the sergeant must soon rest.—Tears filled their eyes and they sobbed bitterly, but their grief was borne as Christian women alone can bear such sorrow—for they heard the voice of the elder brother speaking to them, as to Martha, "I am the resurrection and life; he that believeth in me, though he were dead, yet shall he live." The sister, wiping away her tears, and taking a small prayer book from her dress, asked me if I would tell her brother how soon he must die, and if I would read him "the prayer for the dying." I went again to the couch, and stood beside the dying soldier. "Sergeant," I said "we shall halt soon—we are not going to march much further to day." "Are we going to halt, colonel," said the sergeant, "so early in the day? Are we going to bivouac before night?"—"Yes, sergeant," I replied, "the march is nearly over—the bugle call will sound the halt." The sergeant's mind wandered for a moment, but my tears interpreted to him my words. "Ahl colonel," he said, "do you mean that I am so soon to die?" "Yes sergeant," I said; "you are soon to die." "Well, colonel, I am glad I am going to die—I want to rest—the march has not been so long, but I am weary—I am tired—I want to halt—I want to to be with Christ—I want to be with my Saviour." I read to him the prayer for the dying," most of which he repeated; and then the sister kneeled beside the couch of her dying brother, and offered up to God a prayer full of earnestness, love and faith.—The life blood of the dying soldier was trickling down the bed-side and crimsoning her dress, while she besought the Father that the robes of her dying brother might be "washed and made white in the blood of the Lamb." The prayer was finished.—The sergeant said "Amen." We stood again by the bedside. "Sister—aunt—do not grieve—do not weep, for I am going to Christ; I am going to rest in heaven. Tell my mother sister"—and the soldier took from his finger a ring and kissed it—"tell my mother, sister," said the sergeant, "that this is for her, and that I remembered her and loved her, dying;" and then he took another ring from his hand, kissed it, and said, "Sister give this to her to whom my heart is pledged, and tell her—tell her to come to me in heaven. And, colonel," said the sergeant, turning to me, and his face brightened with the words, "tell my comrades of the army—the brave army of the Potomac—that I died bravely, died for the good old flag." These were the last words of the dying soldier. His pulse now beat feebler and feebler, the blood trickled faster and faster down the bed-side, the dew of death came and went, and flickering for a moment over the pallid face, at length rested—rested forever. The sergeant had halted. His bivouac now is in heaven.—*Cor. Independent.*

Gratuitous Printing.

The following very sensible remarks from an exchange almost every publisher will heartily indorse:

"It has been the custom of all associations and individuals to impose upon editors the publication of resolutions, obituary notices, advertisements of benevolent enterprises, and various other articles of limited interest without charge. We have done quite our share of that kind of work. If associations consider it due to deceased members to pass resolutions testifying to their virtues and condoling with their relations, they should also consider it due to publishers to pay for them; and if literary, schools and other institutions cannot exist without gratuitous printing they must be too slightly prized to promise substantial benefit to members. Until we find teachers who teach gratis, butchers who furnish steaks and roasts without charge, lawyers who counsel without fees, farmers who donate their wood and produce, &c., we must decline being on the list of printers who print without compensation. For every line of type set up in a printing office the publisher pays cash out of his pocket.

WATERING HORSES.—The quantity as well as quality of the water given a horse will greatly affect his condition. Perhaps no animal is more distressed by thirst than the horse, a fact not generally known, or if known, not fully appreciated. Horses should be watered regularly, when not at work, provided, in the latter case, that care is taken not to let him have it when overheated by work. Irregularity in the supply of water is often followed by a refusal to partake of solid food, and more frequently by colic and founder, in consequence of his drinking inordinately when an opportunity offers. For horses, when they are not at work, it is perfectly safe to keep a supply of pure water always within their reach; but, as before remarked, there is some danger in this plan, when they are worked or driven, and are likely to be overheated.

There is a very certain way of determining when a horse has been neglected. If the master, on entering the stable and lifting the water bucket, finds the animal placing himself in an attitude of expectation, and eagerly gazing upon the vessel, it is point blank evidence that his usual supply of water has been withheld.—Whenever it is possible, let the horse have water from a running stream.—*Stock Journal.*

Mr. Lincoln's Letter of Acceptance.

EXECUTIVE MANSION,
WASHINGTON, June 27, 1864.

Hon. Wm. Dennison and others, Committee of the National Union Convention:

GENTLEMEN:—Your letter of the 14th instant, formally notifying me that I had been nominated by the Convention you represent for the Presidency of the United States for four years from the 4th of March next, has been received.

The nomination is gratefully accepted, and the resolutions of the Convention, called the platform, are heartily approved. While the resolution in regard to the supplanting of republican governments upon the Western Continent is fully concurred in, there might be a misunderstanding were I not to say that the position of the Government in relation to the action of France in Mexico as assumed through the State Department and indorsed by the Convention, among the measures and acts of the Executive, will be faithfully maintained so long as the state of facts shall leave that position pertinent and applicable.

I am especially gratified that the soldiers and seamen were not forgotten by the Convention, as they forever must and will be remembered by the grateful country for whose salvation they devote their lives.

Thanking you for the kind and complimentary terms in which you communicated the nomination and other proceedings of the Convention, I subscribe myself your obedient servant,

ABRAHAM LINCOLN.

HAD HIM THERE.—A good story is told about a "loyal" landlord in this village. The other day, during the excitement the news of Grant's success was occasioning, a man went into the hotel, and with much bombast and bravado, said to the landlord, "I will bet ten dollars Grant will not take Richmond." The landlord very quietly looked at the man and said, "I'll bet ten dollars you are a copperhead." The man not knowing what rejoinder to make, other than to ask the landlord to define a Copperhead, was shown the door and told to leave instanter. He did, and has not been heard of since. It is not very difficult to distinguish the true from the false-hearted now a days.—*Tri-State Union.*

TOO BAD.—A wounded Pennsylvanian and wounded Virginia rebel, occupying adjoining beds in one of the hospitals at Washington, had a good-humored verbal tilt a few days since, as follows:

Union.—Say, reb, where are you from?

Secesh.—I'm from Virginia, the best State in America.

Union.—That's where old Floyd is from, the old thief.

Secesh.—Where are you from, Yank?

Union.—I'm from Pennsylvania.

Secesh.—Well, you needn't talk about old Floyd coming from Virginia, as long as old Buchanan come from Pennsylvania. Don't you wish you hadn't said anything, Yank?

☞The rebels know full well who their friends are in the North. For instance, the Atlanta *Appeal* openly and above board declares that these imps of darkness, the Northern copperheads, are working for the benefit of the South, saying: "Every successful blow we strike is so much bone and muscle to the arm which, *under the training of Long, Harris, Voorhees, and Vallandigham, is preparing to strike at the North.*"

SUNSTROKE.—We should all guard against sunstroke. The old remedy should be resorted to of a handkerchief in the hat, or a wet cloth to those walking in the sunshine. This guard is used in tropical climates extensively, and even horses and mules wear a wet sponge on the top of the head.

THE ROMANCE OF CROSSING THE OCEAN.—The brig Vision, fifteen feet long, four feet six inches wide, and two feet ten inches deep, sailed from New York, on Sunday of last week, for Europe. Her crew consisted of John C. Donavan, the owner, a Rhode Island sailor and a dog.

☞A very absent-minded individual being upset from a boat in the river, sunk twice before he remembered that he could swim. He fortunately remembered it just before he sank third and last time. A great invention is memory.

☞Pretty nearly all men are benevolent when it don't cost them much. Tom Jones never sees poor John Smith suffer but he thinks Sam Rogers ought to help him.

Beaver County Fair.

THE FAIR OF THE BEAVER COUNTY AGRICULTURAL SOCIETY, will be held in the Fair Grounds, near Beaver, on

Wednesday, Thursday, and Friday, Sept. 21st, 22d and 23d, 1864.

Competition is invited from adjoining counties

Correction.

We notice that many of the Union papers throughout the State have the name of Hon. THOMAS CUNNINGHAM, of this county, Senatorial Elector, printed "THOMAS H. CUNNINGHAM." He has no middle name, and the correction should be made. We trust the Union papers will notice and correct this error.

Conferee Meeting.

The Union Conferees of Washington and Beaver counties met at the Monongahela House, Pittsburg, on Friday last, for the purpose of nominating three candidates for the Legislature The Conferees present were: Messrs. A. Murdoch, David Aiken, and H. K. Rogers, of Washington, and Messrs. Thomas M. M'Cord, Jos. Ledlie and James Darragh, of Beaver. The following ticket was agreed upon: Washington—Dr. R. Reed and J R. Kelley. Beaver—Col. M. S. Quay.

Call for 100 Days' Men.

The President has called (as will be seen by the proclamations of Governor Curtin, published in the outside of our paper) for 24,000 men from Pennsylvania to serve one hundred days.—The men are needed to protect the border and save our State from invasion. Ohio furnished nearly forty thousand men sometime since, filling the call in a few days. We trust Pennsylvania will not be found behind our sister State in readiness and promptness to respond. We should not hesitate a moment, as our State may and will be invaded unless the government obtains men enough to repel it. Beaver county should raise two or three companies. We understand one is being organized in New Brighton and one in this place. We hope to hear soon that both are full. Beaver county has always responded promptly, and we trust will do so now.

The Governor's Call for Supplies.

We publish in another column a proclamation from Governor Curtin calling upon the men and women of Pennsylvania to furnish supplies for our sick and wounded soldiers.—The Governor states that at Washington, Baltimore, Louisville, Nashville and elsewhere our wounded are suffering from privations. It is sufficient to state that supplies are needed to enliat the feelings of the people and insure generous contributions.—But when we have it stated on the authority of the Governor that the privations of our brave wounded are severe and heart-rending, it should arouse the people to renewed and more active exertions, and call forth even more generous contributions.—Those who are enjoying health and comfort at home should be willing to make sacrifices for those who are lying in the hospitals, sick and wounded, suffering from pain, want of care, and the necessary comforts of life.—We appeal to the citizens of Beaver County to respond to the Governor's call and send in contributions. Remember those who are suffering and in want [illegible] our country's defence.

The Constitutional Amendment.

SHALL THE SOLDIERS VOTE?

Our readers will bear in mind that by the last session of the Legislature, this question was submitted to the people. The election will take place on Tuesday, the 2nd day of August next.

We hope every Loyal Union man will be sure to remember the day and come forward and vote for the right of our boys in the army to vote. It will be recollected that by the decision of the copperhead Judge Woodward, the soldiers who are in the field were deprived of their right to vote. From this decision the soldier has appealed to the people, and now awaits your verdict. Think of it, men of Beaver County! Our noble brothers in the army are calling upon us to decide whether those who have gone forth to do battle for their county, shall be allowed the privilege of voting, while the base, skulking, cowardly copperhead would attempt to deprive them of it. Be sure to be on hand then, for rest assured that the opposition in this country will muster all their force to prevent our volunteers from voting.

We have an enemy that is wily and secret. We must be vigilant if we would defeat him. Turn out, then, loyal men of Beaver county. Let there be such a turn out then as has never been in our County before.—Call upon your neighbor, and ask him to go and vote for the soldier. Let those who are too aged or infirm to walk, be taken to the polls. Don't let a single Loyal man stay away.—Don't let it be said of any of you, that while your friends were in the army, perilling their lives for your defense, that while they were watching and dying on the field of carnage, you staying at home, all this time and reaping the fruits of their toil, that you refused them the poor boon of depositing your vote for them.—Come then, they have done that for you which you will never be able to repay them. We ask you to turn out and vote on that day. Do not let any man forget. Don't let any man plead business or any other occupation.—If you cant give one day to those who have given their lives, their fortunes, their all, for you, you are unworthy of the blessings of a Republican Government. We have full faith that the Loyal people of Beaver county will make a grand turn out on that day. We shall report the Township that gives the largest vote for the soldiers in proportion to its population. What Township will be the Banner Township of Beaver county?

English Neutrality.

The course of the leading English press, and of the leaders of English society during the war, has been adverted to in our columns. That England is jealous, meanly and enviously jealous, of our growing greatness, is too well known to be contradicted. The course of that Government upon the Mason and Slidell affair was a mean and ungenerous as it was cowardly and base. But the conduct of the Royal English Navy Yacht, Deerhound, in the case of the pirate Semmes, is all more atrocious.

The hostility of this cowardly and bullying government is well caculated to try the temper of the most patient of people, and we very much mistake the character of the American people, if they will permit the action of the Deerhound to pass, without giving Johnny Bull to understand that he has waked up the wrong passenger.

In order to fully comprehend the falsehood of the assumption of British neutrality, in the case of the Alabama, we should remember that the Alabama was built in England. She was armed and equipped in England. She was manned by Englishmen. She first sailed from an English port, by the connivance of the authorities of England. She was never in a confederate port, and was no more a Confederate vessel than the Deerhound is to-day. She was built, manned, equipped and sent forth for the purpose of destroying American commerce, by Englishmen.

This notorious pirate ship has been destroyed by one of our vessels, and an English ship is on hand to pick up the Pirate Captain out of the water, and convey him safely to the shores of England. As soon as he reaches the land, he is complimented, invited to a public dinner, and a subscription for a new sword is got up for him. And yet England professes to be neutral!

Well, let Perfidious Albion go on for a little while longer. She is now sowing the wind; bye and bye she will reap the whirlwind.

Lee's Army Reported Near Washington.

HARRISBURG, July 12.

A telegram just received by the Governor says: "Lee's army is believed to be in the immediate vicinity of Washington.

Increase of County Superintendent's Salary.

A Convention of the School Directors of Beaver County has been called by the State Superintendent to meet at Beaver, August 15th, at 2 P. M. The object as set forth in the call is to increase the salary of the County Superintendent. A majority of the Directors of the County have already signed their desire to increase the compensation of the Superintendent and we presume there can be no difference of opinion as to the justice and necessity of so doing. The salary as fixed by the Convention of 1863 is five hundred dollars. It was considered, and certainly was, entirely too low at that time, and yet every thing has advanced since that about one hundred per cent., so that in reality is not more than three hundred dollars would be in ordinary times.—A laboring hand now gets two dollars a day, and should he work all the year, earn more than the Superintendent of Common Schools of the County There are expenses, too connected with the Superintendency that are not with other offices. The Superintendent is compelled to be away from home most of the year, and of course having a family must hire some one to attend to his busines. Then his traveling expenses amounts to considerable in the course of the year, say at least one hundred dollars. Deducting these necessary expenses and there is not left sufficient to maintain himself and family. This is certainly wrong. The Directors and citizens of Beaver County will not ask or permit a faithful officer to labor for less than it actually requires to support himself and family. We regard the office of County Superintendent as responsible and honorable, and second to no other in necessity and usefulness. The success to a great extent, of our Common School system depends upon the Superintendent.—Mr. Reed has proved himself an energetic and efficient officer. We never knew an officer to devote himself more exclusively to his work.—He has not only labored diligently but acceptably and is in every respect worthy, and does honor to the position he occupies. No recommendations are necessary, however, as there is no difference of opinion as to his qualifications, usefulness or success as an officer. We hope, in justice to him and for the honor of Beaver county, that the Directors will not hesitate a moment, but will increase his salary as the times and a proper sense of right would dictate. Lawrence County, containing a less number of schools, now pays we believe eight hundred. Shall Lawrence take the lead of Beaver?

Col. A. W. Taylor.

Lt. Col. Taylor of the 101st Reg't P. V., who was taken prisoner at Plymouth, N. C., with nearly all of his command, is now in Charleston, S. C. He was selected together with a number of other officers, and sent to Charleston and confined in that part of the city which is exposed to the fire of our guns. We fear that the next information we will have from them is that some have fallen victims of our fire and of rebel barbarity. This mode of warfare is of late introduction in civilized warfare, and is unworthy of barbarian ages. Those officers surrendered themselves prisoners of war, trusting and expecting such treatment as rebels receive at our hands. There is no justification or no excuse that the rebels can offer to palliate such cruelty and inhumanity. We are glad our government has promptly met the issue they presented, and will retaliate in like manner. Revolting and shocking as this mode of warfare is, yet it is the only cause left for our government to pursue. We feel a peculiar interest in Col. Taylor, belonging, as he does, to our county, and the Colonel of a regiment composed, principally, of men from Beaver county. He has been in delicate health for years, and we fear his health will give way in that climate, and under such treatment. We hope the rebel government may repent of their folly and cruelty and thus prevent the evils that must follow from a persistence in such barbarity.

Read and be Wise!

We take pleasure in announcing to the public that James H. Stokes, next door to the Keystone Hotel, New Brighton, has just received a new and elegant assortment of Summer goods of every style and quality, which he is selling at exceedingly low prices. Prints for 15 cents per yard, and other goods in proportion! Call and examine before purchasing elsewhere.

PHILADELPHIA, July 11.—The rebels got possession of the wires at Magnolia, fourteen miles from Baltimore, and intercepted a large number of dispatches, among them one from Secretary Stanton to General Cadwallader.

We have no communication with Washington, and there is the greatest excitement here.

Meeting of Representative Conferees.

MONONGAHELA HOUSE,
Pittsburg, July 8th 1864.

At a meeting of the Union Representative Conferees of Washington and Beaver counties—the former represented by A. Murdoch, Esq., David Aiken, and H. K. Rodgers, and the the latter by Capt. James Darragh, Joseph Ledlie and T. M. M'Cord—the following candidates for Assembly were unanimously nominated:

Dr. R. R. Reed and James R. Kelly, Esq., of Washington county, and Col. M. S. Quay, of Beaver county.

The following Resolutions were adopted:

I. That we heartily approve the nominations of the late Baltimore Convention; that in the re-nomination of Abraham Lincoln we have an answer to a demand of the people which will be indorsed in his re-election by a majority that will strike terror to the heart of every rebel in arms, and forever quiet their sympathizers in the North; that in the nomination of Andrew Johnson as Vice President, we have a man of acknowledged ability as a statesman, of pure and tried patriotism, and one who will add strength to our cause; and that in both candidates we recognize men eminently qualified for the positions to which we would have them elevated. They represent and advocate the great principles which we believe to involve the best interests of our country's future.

II. That we accept, approve and recommend the resolutions adopted by the aforesaid Convention, in which the principles or platform upon which our candidates were nominated are plainly stated.

III. That in presenting the candidates nominated for Assembly this day, we do so in the assurance that our action will be endorsed at the ballot-box by every loyal voter in the counties which we represent, and thus show their appreciation of the past services of Messrs. Reed and Kelley as legislators, and also attest the confidence that we have in Col. Quay.

IV That it is the duty of every loyal citizen to aid in suppressing the rebellion; that those who brave death on the battle field for the good of all shall have the right of suffrage, and to that end every loyal voting citizen in the State of Pennsylvania should, on the 2d day of August next, cast his vote in favor of the proposed amendment to our Constitution.

A. MURDOCH, Pres't.
T. M. M'CORD, Sec'y.

HANOVER, July 2d, 1864.

ED. ARGUS: Dear Sir—At a Festival and Concert in favor of the Christian Commission, given at Hanover on the 30th ult., we announced the result, which we since found to be an error. Part of the money, by some means, was overlooked. We wish to make a correction through the columns of your paper:—

Whole amt rec'd	$381 29
Total expenditures	54 54
Leaving net proceeds	$326 75

Our thanks are due the citizens of the neighboring districts of Greene and Raccoon townships, and Hookstown and Frankfort boroughs, for their liberality in furnishing provisions. The young ladies who canvassed their different districts, acted with great promptness. If repulsed on one point they rallied on another, and seldom failed to bring in a good report. Two boys—Joseph Mahaffey and Robert Short—procured lemonade, erected their stand, and labored all day.—The Committee was not aware of their transactions until they handed in their receipts in the evening. All honor to the boys. May others imitate their example. By order of Committee.

H. W. NELSON.

Copperheads in Berks county, says the Lancaster *Examiner*, are electioneering against the constitutional amendment allowing soldiers to vote on the ground that there are *negro* soldiers, and it would let them vote. This of course is ridiculous, as the amendment only gives the right of such soldiers to vote who are voters at home—and, as is well known, the Constitution restricts the right of suffrage to *white citizens*.

Talking of negroes voting, a good anecdote is told at the expense of a Cop. One of them approaching a "Democrat" of the real stripe said:

"Look here Sam, we must all turn out in August next and vote against the soldiers voting amendment."

"Why so, John?" replied the other. "Because," said the Cop. "if we allow *white* soldiers to vote we must allow negro soldiers also and what would you think to see a strapping negro voting for Lincoln and thus killing a Democrat's vote for M'Clellan?"

"Why I'd think that the *nigger* had more sense and patriotism than the M'Clellan man, that's all."

The Copperhead beat a hasty retreat.

The Rebel Raid.

WASHINGTON, July 10—8:30 p. m.—Disbelieve all secession rumors of dangers and terrors at Washington. The Government is wide awake, and has been so. For days it has been reinforcing the troops in Baltimore and elsewhere in Maryland most abundantly, and the preparations for the defense of the national capital are ample. Large reinforcements reached Baltimore this morning. Hunter is supposed to have arrived at Harper's Ferry last night, and to have made a junction with Howe's forces.

General Gilmore, who was sent for by the President, arrived here this morning and will be immediately assigned to an active command in the field.

Parties who arrived here this afternoon from Rockville, Maryland, sixteen miles north of Washington, says: Early this morning a rebel cavalry force four or five hundred strong dashed into Darnestown, a small hamlet five or six miles north of Rockville, and after plundering stores and stealing all the cattle and horses they could find, left in the direction of Frederick, but before they left they sent to Virginia side all their plunder.

People who came from the upper fords report that the rebels are conveying large numbers of cattle horses, hogs and sheep stolen from farmers along the river, across into Virginia, and that every ford is held by a small rebel cavalry force and sections of batteries. It is estimated that they have already carried off several thousand head of cattle and from 8,000 to 10,000 valuable horses. The rebels plundered indiscriminately, making no distinction between Unionists and southern sympathizers.

NEW YORK, July 11—The *Herald's* special, dated Washington, 10, says: The whole rebel force united this side of Frederick and commenced operations towards the line of communications to and from Baltimore.

BALTIMORE, July 11—A party of cavalry burned the residence of Gov. Bradford this morning, only four miles from the city. The Governor was in the city at the time. The rebels are now operating on the Philadelphia & Baltimore road.

[The telegraph wires here gave out, probably owing to rebel pressure.]

LATER.—The break in the telegraph wires is understood to be at Magnolia, seventeen miles from Baltimore, and nineteen from Havre de Grace.—Between the Bushes and Gunpowder river, communication is also cut off.

Passenger train between Havre de Grace and Baltimore was captured. Gen. Franklin was on the train on his way to the Potomac army. He was taken prisoner.

PHILADELPHIA, June 11.—A special from Baltimore this morning says:—There is nothing reliable about the movements of the rebels. Rebel sympathisers are believed to be at the bottom of the burning of the Governor's mansion. Citizens and soldiers are on duty in the fortifications.

HARRISBURG, July 11.—The Philadelphia, Baltimore and Wilmington road is still intact this morning.

A telegram from Glenrock, on the Northern Central road, this morning, states that a body of rebel mounted infantry and cavalry, twelve or fifteen hundred strong, are destroying the road fifteen miles south of that place, and marching northward.

The rebels appear to have retreated from Western Maryland and are concentrating to the Northeastern part of the State.

Proclamation.

EXECUTIVE CHAMBER,
Harrisburg, Penn'a., July 2, '64.

To the men and Women of Pennsylvania:

Supplies for your wounded in the various hospitals outside of the State, in addition to those furnished by other agencies, are again required. Your voluntary care has provided well for those within the State.

At and near Washington, Baltimore, Louisville, Nashville and elsewhere, wounded volunteers from Pennsylvania are suffering from privations.

The regular agents of the State at Washington and Nashville, as special agents, whom I have sent to other points, concur in representing the sufferings of our brave men from these privations to be most severe and heart-rending. I forbear to go into details.

For substantial and effective relief they must rely now, as heretofore upon your unostentatious zeal and promptness. The supplies most needed are

Shirts, drawers, socks and handkerchiefs,
Wines,
Spirituous liquors,
Domestic wines, such as currant, elderberry, &c.,
Canned fruits and vegetables,
Jellies, jams and preserves,
Apple-butter, peach and quince butter,
Onions,
Tobacco,
Arm-slings,
Finger stalls,
Bed-rings, and such other articles as you have been in the habit of furnishing.

Some money to purchase fresh, perishable fruits and other articles which cannot be furnished in kind.

Money should be forwarded direct to Col. Francis Jordon, Agent of Pennsylvania, No. 487 Eleventh st., Washington, D. C., or Col. Jas. Chamberlin, Agent of Pennsylvania, Nashville, Tenn.

Supplies in kind may be sent direct to Col. Jordon or Col. Chamberlin, or to this place, whence they will be immediately forwarded.

To secure abundant supplies, it has never been necessary to do more than let you know they were needed. It is not necessary to do more now. I call on you with the certainty that this appeal will be promtly answered.

When any considerable amount of stores shall be contributed from the same neighborhood I will (subject to the regulations of the United States) send persons from the neighborhood with the stores, so that they may have the gratification of themselves distributing them among our wounded friends and brothers.

A. G. CURTIN.

DIED:

At Murfreesboro, Tenn., on Tuesday, June 18th, of Typhoid Fever, JAMES W. ARNY, a resident of Georgetown, Beaver county, Pa., and a member of Co. A 115th Regt. O. V. I.

At New Brighton, on the 11th of May last, after a long and painful illness, Mr. WM. WILDE, in his 49th year.

ED. ARGUS:—I am pleased to learn that the benevolence of our people is keeping pace with their patriotism. That whilst they send out their husbands, sons and brothers to fight, they are ready to care for them when sick or wounded. And I am pleased to see that whilst caring for their bodies, their spiritual wants are not neglected.

Concerts and Conventions have been held throughout the southern part of this county and the adjacent parts of Allegheny and Washington counties, under the auspices of the "Union Relief Association," and much money and stores have been collected for the Christian Commission.

A Festival and Concert was given on the 30th ult. at Hanover church, (Rev. W. M. Richie's) the net proceeds of which amounted to $325,00 The music, under the direction of Byers, was excellent. Rev. J. P. Caldwell, of Florence, addressed the assemblage, arousing their patriotism and their sympathy for our suffering soldiery. The utmost harmony and good feeling prevailed, and the day was one that will long be remembered. The Association stands adjourned to meet in Service Church, Aug. 25th.

SPECTATOR.

MARRIED:

On May 24th, by Rev. J. Murray, MELDA JAVENS, and LYDIA A. STROCK, of Bridgewater.

On June 28th, by the same, E. C. BRYAN, of New Castle, and JENNIE B. ANKENY, of Bridgewater.

On July 3d, by the same, at the "National Hotel," Rochester, J. B. GILLESPIE, and SARAH MULLIN, both of Point Rock, Lawrence co.

U. S. 10-40 BONDS.

These Bonds are issued under the Act of Congress of March 8th, 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bonds are received in United States notes or National Banks. They are TO BE REDEEMED IN COIN, at the pleasure of the Government, at any period *not less than ten, nor more than forty years* from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and on all other Bonds semi-annually. The interest is payable on the 1st days of March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only on the owner's order. Coupon Bonds are payable to bearer, and are more convenient for commercial uses.

Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—(or in United States notes, or the notes of National Banks, adding fifty per cent. for premium,) or received them drawing interest from the date of subscription and deposit.—

As these Bonds are

EXEMPT FROM MUNICIPAL OR STATE TAXATION, their value is increased form one to three per cent. per annum, according to the ate of tax leivies in various parts of the country.

At the present rate of premium on gold they pay

OVER EIGHT PER CENT INTEREST

in currency, and are of equal convenience as a permanent or temporary investment.

It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payments while for the debts of the United States the whole property of the country is holden to secure the payment of both principal and interest in coin.

These Bonds may be subscribed for in sum from $50 ap to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 2d day of March, 1864, was $768,965,000. The interest on this debt for the comming fiscal year will be $45,937,126, while the customs revenue in gold for the current fiscal year, ending June 30th 1864, has been so far at the rate of over 100,000,000 per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to $150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United State Treasury until March 26, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by the

First National Bank of Pittsburgh,
Third National Bank of Pittsburgh,
AND BY ALL NATIONAL BANKS

which are depositaries of Public money, and all

RESPECTABLE BANKS AND BANKERS

throughout the country, acting as agent of the National Depositary Banks,) will furnish further information on application and

PROCLAMATION.

WHEREAS, by virtue of a writ issued by His Excellency, Andrew Gregg Curtin, Governor of the Commonwealth of Pennsylvania, and to me directed, under the provisions of an Act of Assembly, approved the Twenty-third day of April, Anno Domini, one thousand eight hundred and Sixty-four, I is made my duty to give public notice of a Special Election, to be held on the **FIRST TUESDAY OF AUGUST, 1864**, and in said notice, among other things, to designate:

1. The purpose of holding such election.

2. The places where such election is to be held.

Now, therefore, in pursuance thereof, I JOSEPH LEDLIE, High Sheriff of the county of Beaver, do hereby make known, and give this public notice to the electors of the county of Beaver, that on the

First Tuesday of August next,

(being the 2d day of the month) a Special Election will be held at the several election districts established by law in the said county, at which time the qualified electors will vote by ballot upon certain amendments to the Constitution of Pennsylvania hereinafter mentioned, viz:

FIRST AMENDMENT.

Whenever any of the qualified electors of this Commonwealth shall be in any actual military service, under a requisition from the President, or by the authority of this Commonwealth, such electors may exercise the right of suffrage in all elections by the citizens, under such regulations as are, or shall be, prescribed by law, as fully as if they were present at their usual place of elections.

SECOND AMENDMENT.

No bill shall be passed by the Legislature containing more than one subject, which shall be clearly expressed in the title, except appropriation bills.

THIRD AMENDMENT.

No bill shall be passed by the Legislature granting any power or privileges in any case where the authority to grant such powers or privileges has been or may hereafter be conferred upon the Courts of this Commonwealth.

The said election will be held throughout the county as follows:

The electors of Borough township will meet at the Court House in the borough of Beaver.

The electors of Bridgewater borough will meet at the Town Hall in Bridgewater.

The electors of Phillipsburgh district will meet at the public brick school house in said borough.

The electors of Moon township will meet at the house now occupied by Amariah Hendrickson in said township.

The electors of Hopewell township will meet at the school house in the village of Scottsville, in said township.

The electors of Independence township will meet at the house of Alexander Thompson, dec'd, in said township.

The electors of Raccoon township will meet at the house of David Ewing, in said township.

The electors of Frankfort district will meet at the house of George Dungan, in Frankfort.

The electors of M'Guire's district will meet at the house of John Porter in the village of Hanover.

The electors of Greene township will meet at the house of Elijah Niswanger, in Hookstown.

The electors of Ohio township will meet at house now occupied by Jamison Elliott, in said township.

The electors of righton township (not embraced in Industry district) will meet at the school house, near Richey Eakin's, in said township.

The electors of the borough of Fallston will meet at the Academy in Fallston.

The electors of Patterson township will meet at the school house in the village of Brighton.

The electors of Chippewa township will meet at the house of Azarian Inman, in said township.

The electors of South Beaver township will meet at the house of John Rowe, in said township.

The electors of Darlington township will meet at the Academy in Darlington.

The electors of Big Beaver township will meet at the house of widow Miller, in said township.

The electors of Franklin township will meet at the house of Mark R. Clark, in said township.

The electors of North Sewickley township will meet at the house occupied by John Miller, on land of Benj. Chew.

The electors of Pulaski township will meet at Dougherty's school house, No. 4, in said township.

The electors of Marion township will meet at the house of George Hartzell, jr., in said township.

The electors of New Brighton borough and district will meet at the school house in said borough.

The electors of Rochester township will meet at the Bolesville School House, in said township.

The electors of the borough of Rochester will meet at the school house in Rochester.

The electors of Freedom borough and district will meet at the school house in Freedom.

The electors of New Sewickley township will meet at the house of John Pearel, in said township.

The electors of Industry district will meet at the school house in Industry.

The electors of Harmony township will meet at the Hotel in the Economy.

The electors of Economy township will meet at the house of George C. Minis, in said township.

The Return Judges of the respective Districts in this County, are required to meet at the Court House in the borough of Beaver, on Friday the 5th day of August, 1864, then and there to perform the duties enjoined upon them by law.

Where a Judge, by sickness or unavoidable accident, is unable to attend such meeting of Judges, then the certificate or return shall be taken charge of by one of the Inspectors or Clerks of the election district, who shall do and perform the duties required of said Judge unable to attend.

I also give notice that by the Act of Assembly approved, as aforesaid, on the 23rd day of April, A. D. 1864, it is, among other things, as follows:

SECTION 1. That for the purpose of ascertaining the sense of the people of this Commonwealth, in regard to the adoption or rejection of said amendments, or either of them, the Governor of this Commonwealth shall issue a writ of election, directed to each and every Sheriff of this Commonwealth, commanding them to give notice, in the usual manner, in not less than two newspapers in each city and county, provided that so many are published therein, and by at least two printed hand bills in each election district of every city and county wherein no newspaper is published, that an election will be held in each of the townships, boroughs, wards, precincts and districts therein, on the first Tuesday of August, in the year of our Lord one thousand eight hundred and sixty-four, for the purpose of deciding upon the approval and ratification or rejection of the said amendments, which said election shall be opened, held and closed upon the day last aforesaid, at the places and within the hours at and within which the general elections of this Commonwealth are directed to be opened and closed; and it shall be the duty of the judges, inspectors and clerks of each of said townships, boroughs, wards, precincts and districts, to receive, at the said election, tickets, not exceeding the number of proposed amendments, either written or printed or partly written and partly printed, from each of the qualified voters of this State who may offer the same, and to deposit them in a box or boxes for that purpose provided by the proper officers, which tickets shall be respectively labelled on the outside "First Amendment," "Second Amendment," "Third Amendment," and those who are favorable to said amendments, or any of them, may express their approval thereof by voting each as many separate written or printed, or partly written and partly printed ballots or tickets as there are amendments approved by them, containing, on the inside thereof, the words, "For the amendment," and those who are opposed to such amendments, or any of them, may express their opposition by voting each as many separate written and partly printed ballots or tickets as there are amendments not approved by them, containing, on the inside thereof, the words, "Against the amendment." The electors voting for or against the first amendment shall be considered as voting for or against the proposed fourth section to article three of the Constitution, extending the right of suffrage to soldiers. Electors voting for or against the second amendment shall be considered as voting for or against the proposed eighth section to article eleven of the Constitution; and electors voting for or against the third amendment shall be considered as voting for or against the proposed ninth section to article eleven of the Consitution.

SECTION 2. That the election on the proposed amendments shall, in all respects, be conducted as the elections of this Commonwealth are now conducted, and it shall be the duty of the return judges of the respective counties and district thereof, first having carefully ascertained the number of votes given or against each of the said amendments, in the manner aforesaid, to make out duplicate returns thereof, expressed in words at length, and not in figures, only one of which returns so made shall be lodged in the Prothonotary's office of the Court of Common Pleas of the proper county, and the other sealed and directed to the Secretary of the Commonwealth, and by one of said judges deposited forthwith in the most convenient post office, upon which postage shall be prepaid at the expense of the proper county.

SECTION 3. That the several duties required to be performed by the Sheriffs, Commissioners, Constables, Judges, Inspectors and all other officers whatever in and about the general elections of this Commonwealth shall be performed by such officers in and about the election herein provided for, and all persons, whether officers or others, shall be liable to the same punishment for the neglect of any duty or the commission of any offence at, in or about the said election, as they would for the neglect of like duty or the commission of like offence at, in or about the general elections of this Commonwealth.

Notice is Hereby Given,

That every person except Justices of the Peace, who shall hold any office or appointment of profit or trust under the Government of the United States, or of this State, or of any city or incorporated district, whether a commissioned officer or agent, who is or shall have been employed under the Legislative, Executive or Judiciary department of this State or the United States, or of any city or incorporated district; and also that every member of Congress, and of the State Legislature, and of the Select or Common Council of any city, or commissioner of any incorporated district, is by law incapable of holding or exercising at the same time the office or appointment of Inspector, Judge, or Clerk of any election of the Commonwealth, and that no Judge, Inspector or any other officer of such election, shall be eligible to any to be then voted for.

Also, in and by the fourth section of an Act approved the 15th of April, 1840, it is enacted that the 13th section of the act passed July 2d, 1839, entitled an act relating to the elections of this Commonwealth, shall not be construed so as to prevent any military officer or borough officer from service as Judge, Inspector or Clerk at any general or special election in this Commonwealth.

And the said act of Assembly, entitled "An Act relating to the elections of this Commonwealth," passed July 2d, 1839, provides as follows:

That the Judge and Inspectors chosen as aforesaid, shall meet at their respective places appointed for holding the election in the districts to which they respectively belong, before 9 o'clock on the morning of the First Tuesday of August, and each of said Inspectors shall appoint one clerk, who shall be a qualified voter of said district.

In case the persons who shall have received the second highest number of votes for inspector shall not attend on the day of an election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as Inspector in his place; and in case the person who shall have received the highest number of votes for Inspector shall not attend, the present elected Judge shall appoint an Inspector in his place; and in case the person elected Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the Board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward, or district for which such officers shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy.

It shall be the duty of Assessors respectively to attend at the place of holding every general, special or township election, during the time such election is kept open, for the purpose of giving information to the Inspectors and Judges when called on, in relation to the rights of any persons assessed by them to vote at such elections, or such other matters in relation to the assessments of voters as the said inspectors or Judge, or either of them shall inform me to time to time require.

No person shall be permitted to vote at any election, as aforesaid, other than a white freeman of the age of twenty-one years or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, at least ten days immediately preceding such election, and within two years paid a State or County Tax, which shall have been assessed at least ten days before the election. But a citizen of the United States, who has previously been a qualified voter of this State, and removed therefrom and returned, and who shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in the State six months: Provided, that the white freemen citizens of the United States, between the ages of twenty-one and twenty-two years, and having resided in the State one year and in the election district ten days as aforesaid, shall be entitled to vote although they have not paid taxes.

No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants furnished by the Commissioners, unless, first, he produce a receipt for the payment within two years, of a State or county tax, assessed agreeably to the Constitution, and gives satisfactory evidence either on his own oath or affirmation or of another, that he has paid such tax, or on failing to procure a receipt, shall make oath of the payment thereof; or second, if he claims a right to vote by being an elector between the age of twenty-one and twenty-two years, he shall depose on oath or affirmation that he has resided in the State at least one year before his application, and make such proof of the residence in the district as is required in this act; and that he does verily believe, from the account given him that he is of the age aforesaid, and gives such other evidence as is required by this act; thereupon the names of the persons so admitted to vote shall be inserted into the alphabetical list by the Inspectors, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid a tax, or the word "age," if he shall be admitted on account of his age, and in either case, the reasons of such votes shall be called out by the clerks, who shall make the like notes in the list of voters kept by them.

In all cases where the name of the person claiming to vote is not found on the list furnished by the Commissioners and Assessor, or his right to vote, whether found there or not, is objected to by any qualified citizen, it shall be the duty of Inspectors to examine such persons on oath as to qualification, and if he claims to have resided within the State one year he shall make proof of at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election, and shall also himself swear his bona fide residence, in pursuance of his lawful calling, is within the district for the purpose of voting therein.

If any person shall prevent or attempt to prevent any officer of an election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the peace of such election, or shall use or practice any intimidation, threats, force or violence, with design to influence unduly, or overpower any elector, or to prevent him from voting, or to restrain the freedom of his choice; such person on conviction shall be fined in any sum not exceeding five hundred dollars, and be imprisoned for any time not less than twelve months; and if it shall be shown that by the Court who the trial of such offence shall be had that the person offending was not a resident of the city, ward, district or township where the said offences was committed and not entitled to vote therein, then, on conviction he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

If any person or persons shall make any bet or wager upon the result of any election within this Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by written or printed advertisement, challenge or invite any person or persons to make such a bet or wager, upon conviction thereof, he or they shall forfeit and pay three times the amount so bet or offered to be bet.

If any person not by law qualified shall fraudulently vote at any election within this Commonwealth, or being otherwise qualified, shall vote out of his proper district, or if any person knowing the want of such qualification, shall aid or procure such persons to vote, the person or persons so offending shall, on conviction, be fined in any sum not exceeding two hundred dollars, and be imprisoned for any term not less than three months.

If any person shall vote at more than one election district, or otherwise fraudulently fold and deliver to the inspectors two tickets together, with the intention to vote illegally, or shall vote the same, or if any person shall advise or procure another to do so, he or they so offending shall, on conviction, be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned for any term not less than three nor more than twelve months.

If any person not qualified to vote in this Commonwealth agreeably to law, (except the sons of qualified citizens,) shall appear at any place of election for the purpose of issuing tickets, or of influencing the citizens qualified to vote, he shall, on conviction, forfeit and pay any sum not exceeding one hundred dollars for every such offence, and be imprisoned for any term not exceeding three months.

Given under my hand at Beaver, (SEAL.) the 29th day of June, 1864.

IMPORTANT TO FEMALES.

DR. CHEESEMAN'S PILLS

THE combination of ingredients in these Pills are the result of a long and extensive practice. They are mild in their operation, and certain in correcting all irregularities, painful menstruations, removing all obstructions, whether from cold or otherwise, headache, pain in the side, palpitation of the heart, whites, all nervous affections, fatigue, hysterics, pain in the back and limbs, etc., disturbed sleep, which arise from interruption of nature.

Dr. Cheeseman's Pills

was the commencement of a new era in the treatment of those irregularities and obstructions which have consigned so many to a PREMATURE GRAVE. No female can enjoy good health unless she is regular, and whenever an obstruction takes place the general health begins to decline.

Dr. Cheeseman's Pills

are the most effectual remedy known for all complaints peculiar to Females. To all classes they are invaluable, *inducing, with certainty, periodical regularity.* They are known to thousands, who have used them at different periods, throughout the country, having the sanction of some of the most eminent Physicians in America.

Explicit directions, stating when they should not be used, with each Box—the Price One Dollar per Box, containing from 50 to 60 Pills.

Pills *sent by mail, promptly,* by remitting to the Proprietor. Dr. Smith of Bridgewater sole agent for this County.

WASHER, WRINGER and STARCHER Combined! Silver and Bronze Medals, Diplomas, Certificates, Premiums, and Testimonials, have been received from various sources, both Public and Private.

Self-Adjusting and Adjustable. The only Wringer with the Patent Cog-Wheel Regulator, for turning both rolls together and which positively prevents the rolls from breaking or twisting on the shaft. It is not only a perfect Wringer, but the Cog-wheels give it a power which renders it a most Excellent Washer pressing and separating, as it does, the dirt with the water from the clothes, leaving them dryer, whiter, and smoother than when "wrung" by hand. The water can be pressed from large and small articles, easier, quicker, and more thoroughly than by the ordinary, old-fashioned back-breaking, wrist-straining, and clothes destroying process. The Cog-wheels prevent all "wear and tear" of clothes by the friction of the rolls or breaking of stitches by twisting.

Without Cog-wheels, the whole strain of forcing the cloth through the Machine is put upon the lower roll, and the cloth is made to act in the place of Cog-wheels, to drive the upper roll, causing a much greater strain up on the lower roll than when Cog-wheels, with our Patent Regulator, are used, besides the extra strain upon the cloth. A Good Canvasser wanted in every town. Liberal inducements offered, and exclusive sale guaranteed.

MARRIAGE.

ITS loves and hates, sorrows and angers, hopes and fears, regrets and joys; MANHOOD, how lost, how restored; the nature treatment and radical cure of spermaterrhœa or seminal weakness; Involuntary emission, sexual debility and impediments to marriage generally; nervousness, consumption, fits, mental and physical incapacity, resulting from SELF-ABUSE—are fully explained in the MARRIAGE GUIDE, by WM. YOUNG, M. D. This most extraordinary book should be in the hands of every young person contemplating marriage, and every man or woman who desires to limit the number of their offspring to their circumstances. Every pain, disease and ache incidental to youth, maturity and old age, is fully explained: every particle of knowledge that should be known is here given. It is full of engravings. In fact, it discloses secrets that every one should know; still it is a book that must be locked up, and not left about the house. It will be sent to any one on the receipt of twenty-five cents in specie or postage stamps.

Address Dr. Wm. YOUNG, 416 Spruce st., above Fourth, Philadelphia.

NEW BRIGHTON RETREAT.

AN ASYLUM FOR THE RECEPTION, CURE AND TREATMENT OF INSANE PERSONS.

ALSO FOR THE CARE AND TREATMENT OF MENTAL ALIENATION OR DISORDER.

And Other Nervous and Chronic Diseases.

EXCLUSIVELY FOR FEMALES.

THIS institution is now open for the reception, care, and treatment of the *independent class* of patients who are laboring under mental derangement, or other nervous and chronic disease. We make special mention of nervous and chronic diseases, from the fact that seven tenths of the female patients that are committed to our public Asylums, to be treated for disordered minds, are reduced to that lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, all physical disorders, in the majority of cases may be removed; and thus the mind, having suffered through the medium of the body, will, when free from the exciting physical cause, throw off the shackles that has bound it to worse than midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and wonted excellence. Hence the necessity of all those, who are laboring under the predisposing or exciting causes, calculated in the end to impair the mind to resort to an early and judicious course of remedial agents.

The Institution is a large brick building with a stone basement—four stories high and well ventilated. It is situated on an elevated table land which commands a view of entire town—adjacent hills—groves and neighboring streams; all of which are calculated to produce favorable impressions upon the disordered mind.

The Institution is complete in all of its appointments. Having been tastefully fitted up at great expense, in order that it may meet the approbation and views of the most fastidious.

The water closets and bathing apparatus have been gotten up upon the most approved modern scientific principles. This department embraces not only the ordinary baths but, also, the medicated, warm air and ascending and descending *douche* for the more effectual and successful treatment of cutaneous and other scrofulous diseases.

We beg leave to say to all those who may be disposed to commit the interests of a dear wife, sister or daughter, to our charge—may be assured that no means will be spared or efforts wanting on our part to ameliorate their condition or to effect a restoration to their accustomed health and vigor of mind.

For further particulars send for a circular. All communications should be addressed to.

CRITTENDEN'S PHILADELPHIA COMMERCIAL COLLEGE,

N. E. corner of 7th & Chestnut St.,
PHILADELPHIA, PA.

THIS Institution, which was established in 1844, and is now consequently in the eighteenth year of its existence, numbers among its graduates, hundreds of the most successful Merchants and Business Men of our Country.

The object of the Institution is solely to afford young men facilities for thorough preparation for business.

The branches taught are, Book-keeping, as applicable to the various departments of trade; Penmanship, both plain and ornamental; Commercial Law; mathematics, Navigation, Civil Engineering, Drawing, Phonography, and Modern Languages.

The system of Instruction is peculiar; no classes or set lessons are made use of, but each student is taught individually, so that he may commence at any time, and attend at whatever hours are most convenient.

Catalogues are issued annually after the 15th of April, containing names of the students for the year, and full particulars of terms, &c., and may be obtained at any time by addressing the Principal.

In extensive accommodations, wide-spread reputation, and the lengthy experience of the Principal, this Institution offers facilities superior to any other in the country, for young men wishing to prepare for business, and to obtain at the same time A DIPLOMA, which will prove a recommendation for them to any Mercantile House.

☞ CRITTENDEN'S Series of Treatises on Book-Keeping, now more widely circulated than any other work on the subject, are for sale at the College.

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS.

HOLLOWAY'S PILLS And Ointment.

ALL WHO have Friends and Relatives in the Army or Navy, should take especial care that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS

Will be speedily removed and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF APPETITE INCIDENTAL TO SOLDIERS.

These feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly a produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

WEAKNESS OR DEBILITY INDUCED BY OVER FATIGUE

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTION! INDISCRETIONS OF YOUTH.

Sores and Ulcers, Blotchings and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

FOR WOUNDS, EITHER OCCASIONED BY THE BAYONET, OR SABRE OR THE BULLET, SORES OR BRUISES.

To which every Soldier and Sailor are liable there are no medicines so safe, sure and convenient as Holloway's Pills and ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then covered with a piece of linen from his knapsack, and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflamation.

Every Soldier's knapsack and Seaman's chest should be provided with these valuable Remedies

CAUTION.—None are genuine unless the words "*Holloway, New York and London.*" are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

☞ Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines, throughout the civilized world, in boxes at 25 cents, 62 cents and $1 each.

☞ There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

Address,

WM. B. HURD, CO.,
Tribune Buildings, New York

Dr. Hurd's MOUTH WASH, TOOTH POWDER and *TOOTHACHE DROPS* cannot be sent by mail, but they can probably be obtained at your Drug or Periodical Stores. If they cannot, send to us for the DENTAL TREASURY, Price, ONE DOLLAR, which contains them.

NOW.

ARE DR. HURD'S PREPARATIONS

The best evidences that they are is, that the firmest friends and best patrons are those who have used them longest. *Dr. Wm. B. Hurd* is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburg questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the *Brooklyn Daily Times* says, "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his MOUTH WASH and TOOTH POWDER. The great secret of his success rests with the fact *that his articles are precisely what they are represented to be, as we can testify from their long use.*"

The well known P. T. Barnum writes: "I found your TOOTH POWDER so good that my family have used it all up. *We find it the best powder for the teeth we have ever used.* I shall feel obliged if you will send me another supply at the Museum at your convenience, with bill."

But their cost is so small that every one may test the matter for himself.

☞ Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acids, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT WILL DR. HURD'S REMEDIES EFFECT?

Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the the best preparations in the world for curing *bad breath* and giving firmness and health to the gums. Hundreds of cases of *Diseased Bleeding Gums, Sore Mouth, Canker*, etc., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having

ARTIFICIAL TEETH,

which are liable to impart a taint to the mouth

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

Farmers and mechanics! you cannot well afford to neglect your teeth. For a trifling sume you can now get preservatives, than which Rothschild or Astor can get nothing better. Remember that *Dyspepsia and Consumption of the Lungs* often originate in neglect of Teeth. Send for the *Treatise on Teeth*, and read Dr. Fitch's observations on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

NEURALGIA PLASTERS.—Dr. Hurd's Neuralgia Non-Adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For *Earache* and *Nervous Headache*, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. *Will be mailed on receipt of price and one stamp.*

WHAT ARE THE PEOPLE DOING?

The American people are intelligent enough to appreciate preparations that contribute so much to happiness of those using them, and they wont them. Every mail brings us letters, some ordering the Treatise on Teeth, some the Neuralgia Plasters, and not a few enclosing 37 cts. for the Mouth Wash, to be sent by mail; but to these we are compelled to reply that it is impossible to send a half-pint bottle by mail. The people want these Remedies. *Who will supply them?*

Now is the

CHANCE FOR AGENTS.

Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the neatest article that a man or woman can carry around. Send for one and see, or, better, a dozen, which we will sell, as samples, for $7. Agents supplied liberally with circulars. ☞ Now is the time to go into the business, to do good, and make a profit. We are spending thousands for the benefit of agents. New England men or women! there is something nice, and a chance to take the tide at its flood. Address,

WM. B. HURD & CO.,
Tribune Buildings, New York.

That remittances may be made with confidence, W. B. H. & Co., refer to the Mayor of Brooklyn; to G. W. Griffith, President Farmers and Citizens Bank, Brooklyn; to Joy, Coe, & Co., New York; to W. B. Dawson, Esq., Merchant, etc.

A JOINT RESOLUTION

Proposing Certain Amendments to the Constitution.

Be it resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, That the following amendments be proposed to the Constitution of the Commonwealth, in accordance with the provisions of the tenth article thereof:

There shall be an additional section to the third article of the Constitution, to be designated as section four, as follows:

"SECTION 4. Whenever any of the qualified electors of this Commonwealth shall be in actual military service, under a requisition from the President of the United States, or by the authority of this Commonwealth, such electors may exercise the right of suffrage in all elections by the citizens, under such regulation as are, or shall be, prescribed by law, as fully as if they were present at their usual place of election."

SECTION 2. There shall be two additional sections to the eleventh article of the Constitution, to be designated as section eight, and nine, as follows.

"SECTION 8. No bill shall be passed by the Legislature, containing more than one subject, which shall be clearly expressed in the title, except appropriation bills."

"SECTION 9. No bill shall be passed by the Leislature granting any powers, or privileges, in any case, where the authority to grant such powers, or privileges, has been, or may hereafter be, conferred upon the courts of this Commonwealth."

HENRY C. JOHNSON,
Speaker of the House of Representatives.
JOHN P. PENNEY,
Speaker of the Senate.

Office Secretary of Commonwealth,
HARRISBURG, April 25, 1864.

PENNSYLVANIA, ss:

I do hereby certify that the foregoing is a full, true and correct copy of the original Joint Resolution of the General Assembly, entitled "A Joint Resolution proposing certain Amendments to the Constitution," as the same remains on file in this office.

IN TESTIMONY whereof, I have hereunto set my hand and caused the Seal of the Secretary's office to be affixed, the day and year above written. ELI SLIFER,
Secretary of the Commonwealth.

The above Resolution having been agreed to by a majority of the members of each House, at two successive sessions of the General Assembly of this Commonwealth, the proposed amendments will be submitted to the people, for their adoption or rejection, on the FIRST TUESDAY OF AUGUST, in the year of our Lord one thousand eight hundred and sixty-four, in accordance with the provisions of the tenth article of the Constitution, and the act, entitled "An act prescribing the time and manner of submitting to the people, for their approval and ratification or rejection, the proposed amendments to the Constitution, approved the twenty-third of April, one thousand eight hundred and sixty-four."
